- *Space Tourism _ Space Architecture*, Matteo Palmisano, DOMUS 899, p15
- *Space Architecture - Architektur für den Weltraum*, a TV documentary by Matthias Widter und Ulrike, worldwide TV broadcasts: 3 SAT, Phoenix, Deutsche Welle, BBC, Spain, Russia, Korea, Hongkong, Vietnam, Finnland, Bulgarien und Rumänien, Al Jazeera
- *Space Night - living in outer space - the future of humankind* (Leben im All - Zukunft der Menschheit) In the frame of the 20-year ESA membership Austria's the Austrian Ministry of Traffic, Innovation and Technology and the Austrian Research Promotion Agency organise a public space night. (23.10.2007) The programme of this evening includes the presentation of the well-known TV documentary "Space Architecture" by Ulrike Schmitzer and Matthias Widter (RAUM:FILM) in co-production with the ORF (including the Moonwalker project of Sandra Haeuplik, LSG). A panel discussion about "living in outer space - the future of humankind" will conclude this event. Ute Woltron will moderate the panel with ESA Astronaut Claude Nicollier, the space architects Barbara Imhof, LSG and Andreas Vogler and Rudolf Schmidt, the project leader of ESA's Mars and Venus Express mission.
